

Packaging RFQ

A clear specification starts a useful quotation.

Fill in the shaded fields, save a copy and send it to sales@xhanco.com.

01 Company / contact / email

02 Product / application / reference SKU

03 Dimensions, material, thickness or grammage

04 Initial quantity, annual demand and packing

05 Printing, artwork and colour references

06 Destination market and intended use conditions

07 Required documents and acceptance checks

08 Sample quantity, delivery country and target date

09 Delivery date, shipping destination and other notes

Attach a drawing, editable artwork or photographs of an approved reference sample. MOQ, pricing, sampling charges and lead time are confirmed in the written quotation.
