

Packaging Trial Record

Record the complete pack and the actual service process.

Fill in the shaded fields, save a copy and send it to sales@xhanco.com.

01 Company / evaluator / date

02 Product, sample lot and drawing / artwork revision

03 Tray, lid, coating and material construction

04 Food or load, fill quantity and contact conditions

05 Equipment, storage, transport and heating sequence

06 Checks: fit, closure, seal, leakage, stacking and handling

07 Acceptance limits and measured results

08 Failures, photographs and corrective action

09 Approval decision, approver and next step

Agree the test method and pass/fail limits before testing. This record is a buyer worksheet; it is not a test certificate or an approval for an untested construction.
